NOTE FOR CONTRIBUTORS

Population Geography of the Association of Population Geographers of India is a refereed journal published biannually in June and December. The Journal welcomes original papers in Population Geography and allied disciplines.

Manuscripts. The maximum length of a paper should be about 6000 words. The manuscripts must be submitted in both soft and hard copy, typed in MS Word, using Georgia font in size 11, with 1.08 spacing. Original Maps, if any, should be included in the text and separately in .jpg format, with a minimum resolution of 300 dpi. Manuscripts should be carefully checked before submission and must be preceded by a covering page stating the title of the paper, the full name(s) of the author(s), and the mailing address. Initially, an abstract of 200-250 words outlining the work's scope, methodology, and main findings should be given. The paper must not have been published previously in any periodical or book and should only be submitted elsewhere once a decision is received from this Journal.

References should be arranged in alphabetical and chronological order. Follow the latest edition of the APA style guide for referencing. Some examples:
